### Mrinal Satish's appointment challenged in HC

Petition claims he is ineligible for the post of Delhi Judicial Academy chairperson

**SOIBAM ROCKY SINGH**  
NEW DELHI

A petition moved before the Delhi High Court has sought to quash the appointment of Mrinal Satish to the post of chairperson, Delhi Judicial Academy, claiming him to be ineligible for the post.

Earlier this month, a Bench comprising Chief Justice Rajendra Menon and Justice A.J. Bhambhani rescused from the case. The plea will now be heard by a Bench headed by Justice S. Ravindra Bhat on Monday.

Judicial academies impart judicial education and training to judges. The Delhi Judicial Academy is funded by the Delhi government and administratively controlled by the Delhi High Court.

The petition filed by NGO AGAM, through advocates Ashutosh Kumar Mishra and Isha Garg, has claimed that the appointment of Mr. Satish was in violation of the prescription under the Delhi Judicial Academy (Appointment, Conditions of Service, and Conduct) Rules, 2008.

Prior to his appointment as chairperson of Delhi Judicial Academy, Mr. Satish was a professor of law at National Law University, Delhi, where he was also the Executive Director of the Centre for Constitutional Law, Policy and Governance.

The NGO contended that as per information available on the website of the National Law University, Mr. Satish's experience as a profes-

sor cannot be of more than one-and-a-half year on the date of the appointment.

"Also, considering the credentials of the respondent no.4 [Mr Satish] maximum experience of whatsoever, of respondent no.4 cannot be twenty five years or more," the petition stated.

Mr. Mishra said that the minimum qualification for the post of chairperson is that the person has been a judge of a High Court, or is a distinguished academician having teaching experience of not less than twenty-five years as a lecturer, and experience as a Professor of Law of not less than seven years.

"Hence under no circumstances the candidature of respondent no. 4 falls within

the scope of the eligibility criteria enumerated in the vacancy circular dated August 20, 2018," the plea said.

It alleged that despite the fact that Mr. Satish was not eligible for the post, he was "illegally and arbitrarily appointed as the Delhi Judicial Academy chairperson by Patron-in-Chief (The Chief Justice of the Delhi High Court) on the recommendation of a Search Committee constituted by the Patron-in-Chief".

On January 4, 2019, Prof. S.N. Singh, former Dean, Faculty of Law, Delhi University, wrote a letter to the Chief Justice of India requesting for an enquiry into the matter. However, no response in this regard is received till date, the plea further said.

### Law & Justice

There exists a huge gap between the justice delivering authorities and the justice-seeking poor people in India. We as a civil society organisation seeks to fill up this gap through legally empowering people by providing free legal assistance to the poor and marginalised communities, making the law and justice machinery less complex for them and empowering them to achieve their entitlements and rights.

Our beneficiary includes auto-driver, street vendor, garbage collector, homeless, migrant workers and person with disabilities. One of our most satisfying experience happened this year with Mr. Sushil Kumar, having 84% of Locomotor disability. He is a daily wage laborer earning his livelihood through scrap collection. We helped him to secure and realise his right to disability Pension from Government of Delhi. We also helped him in getting approval for motorised tricycle from ALIMCO Delhi, Govt of India with the intervention of Commissioner of Person with Disabilities, Delhi.

Fuel, as we all know, is the most important factor to run machineries. Similarly, to operationalise our activities smoothly, support from all philanthropists and well-wishers of the society is of great importance. Usually, we have the intention to serve the society and are doing whatever is possible from our end, but the fact of the matter is that in this modern era everyone is so busy in their corporate and personal life that we rarely invest time looking over these issues our society is facing as a whole.

We, at AGAM, provide a very good platform to such people to do their part in giving back to the society by helping us in any of our activities/ issues we are working on, which shakes you from within. Please go through the link <http://www.agamindia.org/page/donate-us> to support us and do your part required to give something back to the society !!!!
